Profile

Divan Ltd is a leading organization and pioneer in overseas recruitment and human capital consulting in Kuwait. With over 35 years of experience in this domain, we bring unmatched know-how, reliability and reputation to our activities and are one of the oldest licensed service providers in Kuwait in this domain. We are capable of helping organizations navigate recruitment complexities with our world-class solutions and can deliver value in any capacity, right from professionals and skilled personnel like doctors and nurses to ordinary roles requiring unskilled personnel. We specialize in recruiting these resources from countries like Sri Lanka, India, Bangladesh and Nepal. All resources supplied by us are highly trained, motivated and committed to helping employers achieve business value. Our unmatched domain expertise means that we not only vet resources and ensure a best-fit solution but also ensure that all legal and medical formalities (including vaccinations) are completed correctly.

Though based out of Kuwait, we carry a deep understanding of the GCC region and are gearing up to expand our footprint. Collaborative in approach, we offer excellent service to both employers and overseas job seekers based on precise planning and articulated needs. Thus, we act as a bridge between aspirations, which has helped us build trust and a long-term relationship with all stakeholders, thereby ensuring our longevity. We have worked with some of the most prominent business houses, and our experience and insight across business verticals mean that we can handle any recruitment challenge with elan.
